PRESIDENTS REPORT

And the year is nearly over... What a fantastic day we had at the Inaugural September Members Champs! Thanks to everyone who came along and supported the day, both riders and helpers. The day ran really well and it was great to see everyone put in the extra effort, with some wonderfully presented horses. The competition was tough, but we had some wonderful winners. Also, the day saw a number of special awards presented, further in the newsletter you will find the complete list of award receivers.

The club only has one more competition day left for the year on October 11. This will be a nice quiet day to see the year out.

In November as we have our 'Rider's Clinic', to be held at the Indoor Arena at Benalbyn Lodge, Munruben. The Clinic will be run on Saturday 21 and Sunday 22 November, the same program will run both days. So come along and join us on either day to learn about 'Applied-Posture-Riding' with Annette Willson, 'Motivation in Sport' with Gary Lung and Bowen Therapy with Mimi Chiaravalle. Check out our flyer and the website for further information.

December will then see our end of year celebrations with the AGM and Presentation Night on Tuesday 17th November at the Marburg Hall, please bring along a plate and enjoy the celebrations. Our Christmas Break-up is in the calendar for Sunday 6th December, so keep the day free! It is planned that we will have lunch at Plainlands Porters Hotel, further information will follow.

Just a couple of things I would like to remind everyone of...

- Please don't tie your horses to the posts or rails around the showground rings or the stables, on the Grounds. It is VERY dangerous tie horses to the fence and in the past there have been some very serious accidents happen as a result of horses pulling back. It would be appreciated if you could please refrain from doing so.
- Also, just a reminder that the Laidley Showground are not fenced and if your horse is to get free there is no barrier to stop them. If you have a difficult horse, please make sure you have appropriate measures in place to keep it safe and all other horses and people around you safe.

Good luck to all for the October day and safe riding....

Erin
