(Lockyer Equestrian Group 2017)

**INSTRUCTIONS: Rider must maintain a balanced position throughout. The horse/pony should maintain an even rhythm, accepting the bit and jump fences calmly. All trot work may be sitting or rising. The horse should be asked to change canter leads through the trot. The quality of the change will be evaluated. Test may be called.**

**Refusals will be penalized as an error of course with appropriate deduction of points.**

**Knock-downs will incur a deduction of one point from those marks that would have otherwise been awarded for that movement. In the case of a rail in the path, the judge will ring the bell for the rider to stop without penalty.**

**After the jump is replaced, the bell will be rung again telling the rider to continue from where he stopped.**
